STATEMENT OF THE SUBSTANCE OF THE INTERVIEW

Dear Sir/Madam:

Applicant thanks Examiner Gerald Ewoldt for providing an interactive and productive interview regarding the outstanding art rejections for the above referenced patent application with Applicant on October 20, 2009, at the USPTO.

In response to the Interview Summary mailed October 22, 2009, Applicant provides the following Statement of Substance of the Interview.

The substance of the above referenced interview included a discussion of the outstanding rejections. Strategies were discussed for overcoming the outstanding 103 rejections based on the cited references by Guo et al. and Sornasse et al.

Applicant appreciates the Examiner's participation in the interview. Should the Examiner wish to discuss the application further in light of Applicant's responses filed subsequent to the afore mentioned interview, the undersigned would appreciate the opportunity to do so. The Commissioner is hereby authorized to charge any fees that may be required, or credit any overpayment to Deposit Account No. 04-1105, Reference No.: 69240DIV2(241012).

Dated: November 20, 2009

Respectfully submitted,
